SIGN PROJECT MANAGER

File repository

As explained in D.8.D, from the beginning of the Project <https://eula-gtec.unlu.edu.ar/noticias/> is the link defined to upload activities and news about EULA-GTEC development. It is directly related to the calendar commitments.

Besides, <https://eula-gtec.unlu.edu.ar/documents/> introduces some working package files and <https://eula-gtec.unlu.edu.ar/products/> the main products of the Project:

- EULA GTEC KNOWLEDGE MAP
- EULA GTEC NETWORK
- EULA GTEC HIGH EDUCATION INTERNATIONAL PROGRAM

Additionally, Owncloud (<http://owncloud.fi.mdp.edu.ar/index.php/login>) let the team upload and share work in progress files related to the Project and the postgraduate programs.
