As explained in D.8.D, <https://eula-gtec.unlu.edu.ar/agenda-nueva/> introduces the different workshops that gather the team. In <https://eula-gtec.unlu.edu.ar/login/> it is possible to enter to three key chat areas related to the project:

Equipu: <https://eula.2flock.com/#/group> hosts a platform for the Working package teams.

Owncloud: <http://owncloud.fi.mdp.edu.ar/index.php/login> let the team upload and share work in progress files related to the Project and the postgraduate programs.

High Education International Program: <https://eulagtec.org/> allows to share by Moodle platform synchronous and asynchronous material, files and activities related to each postgraduate program.
